About Us

The biggest risk of all, is not taking one

Who We Are

One17 Capital Limited is a company registered and licensed as a Fund/Portfolio Manager with the Securities and Exchange Commission (SEC) to provide an array of Ethical Investment, Fund/Portfolio Management, Financial, Investment and Shari'ah Advisory Services. Our team of experienced professionals focuses on achieving our Customers' financial objectives via ethical means.

We provide sustainable financial solutions to our clients through creating tailored products and service offerings that comply with Non-Interest principles, ensuring competitive returns. We also pride ourselves in increasing Non-Interest Finance awareness by conducting trainings and capacity building programs for individuals and organizations (Regulators, Non-Interest Financial Institutions and other Finance Market Operators).

Vision

To be the leading provider of Sustainable Investment and Wealth Management Services.

Mission

We provide Ethical Solutions that enable our clients achieve their financial objectives.

Core Values

- Ethical
- Proactive
- Proficient
- Transparent
- Reliable

Our Services

Innovation distinguishes between a leader
and a follower

ONE17 CAPITAL LIMITED

Our Services

We provide the following array of services as individual packages or in any combination to suit your needs.

Fund Management Services

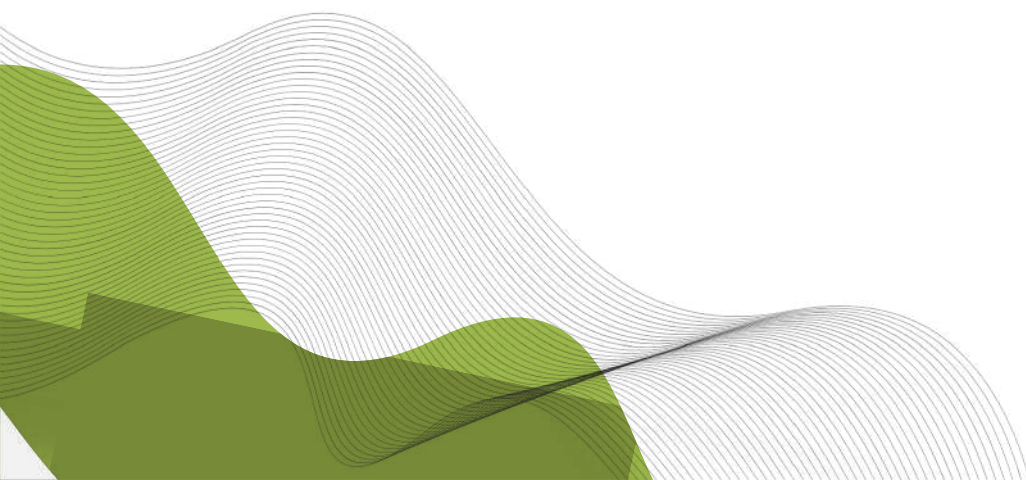

With a team of experienced professionals having broad capital market expertise, we pool capital to utilize diversification and advanced investment strategies thereby generating competitive returns for investors. We build and manage flexible portfolios that are designed to adapt to your dynamic needs and oversee a selection of investment portfolios that meet the short and/or long-term financial goals and risk tolerance thresholds of our clients.

Asset Management Services

We create value for our client's by managing, preserving, improving and disposing of various tangible and intangible assets to maximize potential earnings. We provide these services by conducting detailed analysis of clients asset portfolios and provide investment advice or take on the task and responsibility of the day to day management and investment decisions on behalf of the client. With the goal of optimizing the performance of these assets to generate more income for you.

Investment & Financial Advisory Services

We make investment recommendations, conduct due diligence, broad spectrum analyses and provide insightful advice to clients. We will help you determine the best investment and finance strategy and owe a fiduciary duty to all our clients.

Shari'ah Advisory Services

We are specialized in Islamic Finance, Non-Interest Capital Market, financial planning, and corporate finance which allows us to deliver advice and guidance for products and service development and repositioning to embed Shari'ah compliance in the most cost-effective and efficient way, to individuals corporates and government institutions.

Capacity Development and Islamic Finance Training

In collaboration with accredited institutions, we facilitate trainings and capacity building on Islamic finance. With the rapid growth in the Islamic finance industry, it has become essential that the operators in the financial sector as well as investors are well informed about alternatives to conventional finance options that better align with their ethical believes and standards. Our training spans local and international institutions with physical and virtual options available.
